The girl's letter

Hi, friends. My name is Jessie. I live in Suffolk. I think it's the sunniest county in England.

Right now spring is nearly over. I like these long days. You can do so much. The sky is blue, the trees are green. In England spring starts in February. The parks and gardens are so colourful, with white and yellow daffodils and red tulips.

The grass is green all year round. My favourite tree is the magnolia. The big white flowers look so beautiful.

Summer is sometimes really warm in Suffolk. It's very sunny and bright. My neighbours grow fantastic roses of all colours: red, pink, white, yellow and even blue!

I love going to the seaside in summer. I sit down with a book and enjoy the fresh sea air. In July we can even swim in the sea, but usually it's very cold.

Autumn is a beautiful season, too, with clear sky and red and yellow leaves. But I don't really like late autumn. The days are short and it often rains.

In winter there's usually no snow, but sometimes we have a white Christmas. The temperature is usually warm, but it can be cold with the strong wind and rain.

Two Trips

George Brown was a rich businessman. When he was young he used to travel a lot. He liked to climb the mountains and often spent his weekends there. He loved nature, wild flowers that grow high up in the mountains, fresh air and clean water of the mountain rivers. When George was 35 he bought a small plane and learned to fly it.

He soon became very good and could do all kinds of tricks in the air. George had a friend. His name was Mark. One day George invited Mark to have a trip in his plane. Mark thought: "I have traveled in a big plane many times, but I've never been in a small one, so I'll go." They went up, and George flew around for half an hour and did all kinds of tricks in the air. When they came down again, Mark was very glad to be back, and he said to his friend: "Well,

George, thank you very much for those two trips in your plane." George looked at his friend and asked: "Why two trips, Mark?"

"My first and my last," was the answer.
